Frequently Asked Questions

How do I sort?

What should I keep?

Where do I donate or send items off to family or friends?

How do I find a realtor or handyman to prepare to sell my home?

When do I submit address changes for utilities, Social Security and the IRS?

How do I select which household items and furniture that will fit into my new residence?

How do I pack and obtain packing material?

Who helps to unpack and organize everything at my new residence?

MOVING You SIMPLY

Provides these Services and much more:

- Complimentary consultation with you and or family members concerning your relocation
- Help you establish a move timeline to prepare for your relocation
- Work hand in hand with you to help sort, organize and downsize
- Arrange for final house cleaning, repairs and staging your home for sale
- Provide referrals for a moving company, realtor, handyman, estate/auction company and much more
- Coordinate walk through with moving companies to provide a price quote
- Determine what possessions to keep, give to family or friends, consign or donate
- Assess what household items and furniture will fit into your new residence by providing a custom layout of your new floor plan with measurements
- Arrange for professional movers, oversee all packing/unpacking, removal of boxes and packing material at final destination
- Supervise loading everything from old residence on to the moving truck to off-loading at new residence
- Make sure every carton is labeled properly, identifying each room location
- Completely set up your furniture
- Organize your household items, bathroom(s), kitchen, living room and any other requests you may have
- Will even make sure your beds are made before we leave at the end of your relocation day

*Our professional team will personalize each relocation with integrity, patience, compassion and respect for each of our clients, ensuring that families are taken care of and everything moves **SIMPLY**.*
